Health Options Hotline 1-888-486-9355 - www.tnhealthoptions.org and www.covertn.gov

SERVICES: Information on Patient Assistance Programs.

Patient Assistance Programs

These pharmaceutical companies have Patient Assistance Programs that you may want to check into for help in getting prescription medications if income is limited. To acquire the application call the toll free number provided for your particular drug company. An extensive list of specific medications and companies, including information on how to call for an application is available on line. Just apply and see what is available for your specific situation. If you are unsure of which company manufactures your drug call your pharmacy.
